Dear Crafters and Junkers:

We cordially invite you to be a vendor at this year's Irrigation Days Craft/Junk Fest! This year's event will be held on **Saturday, June 8th from 9 a.m. – 3 p.m. This year's event is being held indoors at the R & R building on Main St.**

This event is an event centered around crafters/junkers which means we are requesting product information from our vendors: pictures, social media pages, etc. With that being said if you are a vendor who represents a trademarked product lines (i.e. Tupperware, Scentsy, Norwex, Lipsense, LulaRoe, etc.) we will open up space if and when we have it available. Only the first registration for a specific national brand will be accepted as we will not be taking multiple vendors of the same product lines

We highly encourage you to spread the word to any other crafters/junkers you know who might be interested in displaying their talents. In years past, we've had an average of 500-600 shoppers! Registrations are due by **May 18, 2018. Registration is not complete until payment and registration is received in full.**

Set-up will be available on Friday by appointment only, with doors opening at 7am on Saturday for setup. Logistics of the event (assigned booth space, parking, set-up time, etc.) will be sent approximately 2 weeks prior to the event date.

We look forward to having you join us! If you have any questions, please feel free to e-mail us at **jjquandt@drtel.net**

Thank You

Jeanette Quandt
